Re: *Fugate v. Erdos*
Case No. 1:19-cv-30

Dear Mr. Fugate:

This letter is in response to the "Fourth Request for Discovery", in which you have made requests for production of documents. In regards to request #3 consisting of:

"All documents and records as to who ordered the Plaintiff to be stripped three times a day, from 1-18-17 to 1-16-17, and who actually conducted the strip searches and shakedowns on these day's and shifts: the stripp out's and searches would have to be done with the white shirt in charge for that shift present, along with shift C.O's for the J-1 Block and any ____C.O's that they have for that shift. Paper work work be done by the C.O's for the J1 Block on shift. For example, second shift C.O's was C.O ERVING and C.O Hall. If I gave them any problem's or, if they found anything, or, if, I GAVE no problem's, Paper work would be done and sent to the warden. When HE would make his rounds, I would ask, when is the strip out's going to stop? He would tell me when he feel's like it, or, when I stop giving the C.O's problems dearing the strip out's. One time, C.O Fri came in and tore up all my paper work and I cussed him out. Paper work was done about that incident the warden made round's, he told me the strip out's would not stop because I had did that. It was told to Plaintiff by Lt. Heyward. First shift C.O's, second shift's C.O's. It's a memo per the Warden Ron Erdos that Plaintiff be stripped and searched every shift. Evry C.O. and white shirt told Plaintiff the same thing. Where is all this paper work that was done by the white shirt's and C.O's alike? The Plaintiff is requesting this paper work and the memo be located and sent right away. (Sic)"
